Chennai Tamilnadu. INDIA

Welcome Note

DR. J. SRI NISHA
Organising Chairman

It gives me immense pleasure to warmly welcome all distinguished delegates, researchers, clinicians, academicians and students to the 36th ISDR International Conference. This conference marks a significant milestone in our collective pursuit of excellence in dental, oral and craniofacial research. It provides a vibrant platform for sharing scientific knowledge, innovative ideas and transformative research. The theme, "Translational Dental Research: Bridging Science and Care," highlights the importance of converting discoveries into meaningful clinical applications. I am confident that the keynote lectures, symposiums and other interactive sessions will inspire new ideas and meaningful interdisciplinary collaborations. May this conference open new avenues for research, innovation and improved healthcare outcomes.

A Tribute to Legands

The Conference halls have been named in honour of the eminent members of the Indian Society for Dental Research as a tribute to their pioneering vision, exemplary Leadership and enduring legacy.

Prof. Dr. J.G. Kannappan

An eminent orthodontist, pedodontist and pioneer of forensic odontology in India. He served as Dean of Madras Dental College and made significant contributions to dental education and forensic dentistry. A founding member of ISDR, his legacy continues through the Dr. J.G. Kannappan Awards.

Prof. Dr. M. Rahamatullah

The Founder President of ISDR and a distinguished teacher, administrator and researcher. He played a pivotal role in establishing the IADR Indian Division in 1986, connecting Indian dental research with the global scientific community. The prestigious Dr. Rahamatullah Award honours his enduring contribution.

Prof. Dr. C.V. Subbarao

A distinguished endodontist and former President of ISDR (2011–13). He made significant contributions to dental education, clinical practice and research. In recognition of his outstanding service to ISDR, the Dr. C.V. Subbarao Award was instituted to honour excellence in Conservative Dentistry and Endodontics.
